

## Riverside Boutique Resort

Vang Vieng, Laos

### Fact sheet - June 2014

Riverside Boutique Resort, Vang Vieng, is a luxury property ideally located on the bank of the Nam Song river, with a spectacular backdrop of limestone mountains and rice paddies. It offers 34 rooms, as well as a bar, a restaurant and a large conference room. The central swimming pool surrounded by a manicured garden is one of the most picturesque in Laos.

With a beautiful design by award-winning architect Sakpaseuth Phanrajsavong, the Resort blends Lao traditions, ethnic arts and French colonial architecture to celebrate the exceptional diversity of the country. Prominent artists and artisans have contributed their talent to help create a unique and authentic atmosphere that allows guests to fully appreciate the charm of Lao hospitality. The rooms, in particular, feature original decors inspired by eight ethnic groups: the Akha, Hmong, Katu, Lanten, Tai Daeng, Tai Lao, Tai Lue and Yao.

What makes Riverside Boutique Resort truly special is this combination of culture, tradition and nature - and this stunning backdrop of mighty karst mountains, just a short drive away from Vientiane and Luang Prabang. One year after its opening the Resort had already established itself as the Number One hotel on TripAdvisor for the entire Vientiane Province, Vientiane Capital included.

## VANG VIENG

Located mid-way between Luang Prabang and Vientiane, Vang Vieng is both an ideal stop-over for tourists travelling between the two cities and an attractive weekend getaway for city residents.

At an altitude of about 300 meters, the temperature there is a bit cooler than in Vientiane, warm in the day to cool at night in winter (Dec-Feb).

It takes about three and a half hours to reach Vang Vieng by bus or car from Luang Prabang (185 km), and about three hours from Vientiane (160 km).

While many visitors to Laos are initially attracted by the UNESCO heritage city of Luang Prabang, Vang Vieng captures best the natural beauty of the country. With its breath-taking views of rock and limestone mountains, caves and rock outcrops overhanging the Nam Song river, it offers unique sceneries and a range of outdoor

activities – canoeing, rafting, caving, trekking to mountains and waterfalls, mountain biking, rock climbing, ballooning, off-road trike riding and swimming – the choice keeps locals and foreign residents coming back for more.

In partnership with local eco-tourism specialists, Riverside Boutique Resort can help organize private activities upon request:

1. Exploring Vang Vieng on a bike (full day)
2. Boating and hiking around Vang Vieng (half day)
3. Kayaking on the Nam Song (half day)
4. Kayaking on the Nam Lik (full day)
5. Cooking class at Organic Farm (half day)
