

EUROPEAN CHAMBER OF COMMERCE AND INDUSTRY IN LAO PDR

Making Europe the preferred business partner of Lao PDR

WHO WE ARE

The European Chamber of Commerce and Industry in Lao PDR (ECCIL) was founded on May 9th 2011. It is the only official representative of the European business community in Laos. We represent the interests of European businesses in Laos via our active engagement in advocacy and provision of information and tailor-made services. ECCIL has activities not only in the Lao domestic market but also internationally. ECCIL's managers and board members are regular speakers at major economic conferences and events in Laos, in the region and in Europe. ECCIL is a trusted and long term partner of the Lao National Chamber of Commerce and Industry (LNCCI), a founding member of the EU-ASEAN Business Council, active member of the European Business Organisations Worldwide Network (EBO WWN) and has cooperation agreements with a number of bilateral European chambers. These relations give ECCIL access to a vast network and thousands of decision makers in Laos, Asia, Europe, and beyond.
